### Committee Reports

**ACC:** Dick Green presented the ACC report. The committee members reviewed one request since January. The request was approved. Around the Clock will supply Dick Green with a new tenant directory. Dick is going to e-mail a charter and updated ACC guidelines to Kathy.

**Landscape:** The back of the berm on 207th, right hand side, has now been completely barked, and it looks much better - if only the deer would leave it alone!

Landscape Committee meeting scheduled for Monday, March 10th at 7:00 p.m. at the home of Robyn Welch. We will be discussing this springs flowers for the entryways, and I will introduce my replacement Kathy Morrisson who will be taking over the committee the latter part of May.

Someone is having trouble determining where the road edge ends and the grass starts on the 207th entryway, we have had several mishaps in the last month or so. If anyone has seen anything, please call Robyn Welch 630-7178, with a description of the vehicle and/or license plates.

**Maintenance:** Suzanne will send Mary a new vendor directory. Mary will be calling some residents that have shown interested in the maintenance committee to look through the Reserve study and make recommendations for upgrade/repair projects.
