Scenes from the Remington Picnic

What a day we had for our picnic. When we chose the date for the picnic, I joked with the Board of Directors, telling them I knew how to predict rain - just have the picnic. Sure enough, it rained that morning, but we had a great afternoon filled with fun.

I would like to thank the following neighbors for helping make this years picnic a success: Kathy and Matt Morrison for filling the water balloons, Andrew Holmes for helping with the games and taking a bag of garbage home, Candy & Jerry DelCamp for donating candy for prizes and taking a bag of garbage home.

I couldn't have done with out all of your help. Thank you.
